

CASE STUDY: ANCHORAGE HOUSE, LONDON

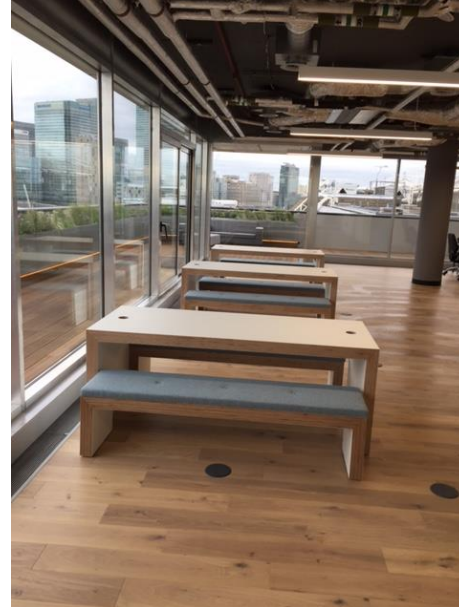

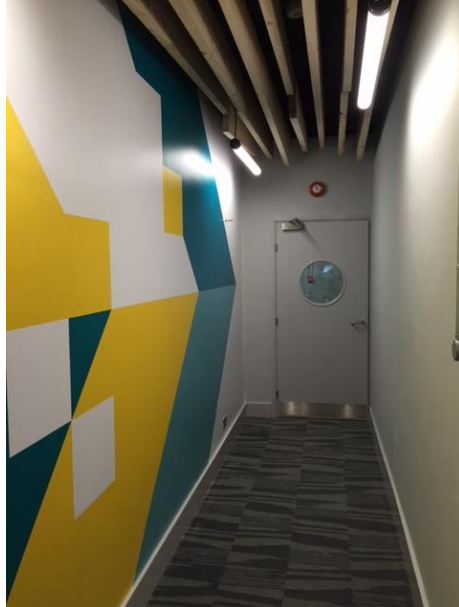

CLIENT:
East India Dock LLP

VALUE:
£1.7M

PROJECT:
Office building strip out and fit out

6 floors of this large office block at East India Dock in London were stripped out. The 9th floor was fully fitted out with a contemporary urban theme, and an outside decking area was formed to give a feeling of space and offering amazing views across the city. Communal areas and toilets were all fully refurbished.

- Strip out
- Builders Work
- Electrical & mechanical works
- Installation of glass curtain walling
- Outside decking
- Decorations
- New flooring inside and out
