

# CASE STUDY: CHELTENHAM TRADE PARK

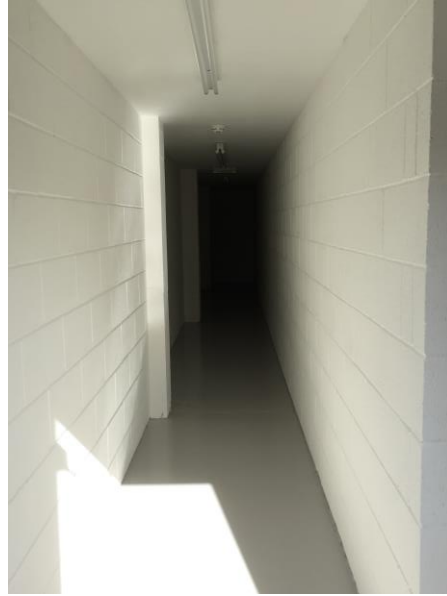

CLIENT:  
**BLACKROCK**

VALUE:  
**£73,000**

PROJECT:  
**WAREHOUSE  
REFURBISHMENT**

Within a warehouse a new fire escape corridor was installed complete with steel fire escape doors and this was then fully decorated. New lighting was installed, and the fire alarm system and blow heating were altered, serviced and left fully compliant. All co-ordination with Building Control was undertaken.
