

# QUALITY POLICY

B Price Limited understands the importance of their clients' investments and strives to provide a consistently high standard of service.

B Price Limited understand the importance of excellent workmanship and cost effectiveness, and aim to complete projects on time and on budget using trouble-free methods of construction.

The Directors of B Price Limited are conscious of the need to sustain and improve upon the high quality of the services provided, and this is achieved by the on-going review and monitoring of:

- **Clients' Requirements and Specification.**
- **Management and Employee Training and Development.**
- **Adherence to Statutory and Regulatory Requirements.**

Where appropriate, Quality Objectives are set and reviewed at the Management Review Meetings to continually improve the Management System. This approach forms part of our philosophy of continual improvement of our Management System.

To assist in meeting these objectives, B Price Limited applies the management system, outlined in their Management Manual, which has been developed in accordance with the requirements of BS EN ISO 9001:2015.

This policy, which is reviewed for suitability at Management Review, is communicated to all levels of management, staff and employees during initial training.
